## Food Service Manager

Dear ladies and gentlemen,

After I worked in the Hospitality management in Germany as well as in Saudi Arabia, at the highest international levels, in previous experience as Head of Food Service Department at one of the major (5Star) health center, which is managed at the highest level under the auspices the JCI the largest international Standard U.S. organizations. Those experiences I have obtained over the past years has always encourage me to invest in a new challenge in the field of Education Development Programs, Such as training for employment at all levels to promote and lift employee motivation and moral, modernize the company, increase productivity and raise the income of the company positively. Always keen to work successfully and achieve the best results through the departmental budgeted

I got a great expertise on how to deal in the field of Management at the global level of modern Management Principles; In addition, I have also experiences with a long period time in Germany and obtained a Masters Degree in Restaurant Management, as well as practiced of Nutrition as a Service Director

From my experience, my personality is characterized by:

Proven ability to improve quality and control costs

Demonstrated ability to develop a team focus through excellent communications, a consistent message, and reconfirming the missions and values of the organization

Developed new systems within support service and Customers' meal delivery, which contributed to improved customer satisfaction reflected in survey scores

In my experiences, theories and practical sessions, Hygiene is very necessary to train and teach all the staffs the importance of basic Hygiene Systems and the modern technologies in this field. For example: Hazard Analysis Critical Control Point (HACCP) standard.

Utilize all available resources to achieve goals, team builder, develop business growth strategies through an entrepreneurial business style, strong financial skills, customer service focus, willing to take calculated risks to achieve goals, and the ability to orchestrate, develop, and implement plans for new projects.

For these reasons I am looking forward for a new job, challenge which offers an opportunity to grasp, increase and exchange more knowledge in the technical as well as in the administrative field

I am grateful and honored for your cooperation and assessment.

Sincerely yours,

Mustafa Elremaly

TO WHOM IT MAY CONCERN:

**Re: Mr. Mustafa El Remaly**

Mr. Mustafa El Remaly joined Saad Specialist Hospital on December 20, 2004. As the Department Head of Saad Specialist Hospital Food Services Department, Mr. Remaly was a very dedicated member of our hospital.

Mr. El Remaly had contributed tremendously within the Food Services Department and was an extremely hard worker, giving a tremendous amount of extra hours. He consistently had new ideas and suggestions and worked to reach the goals of ultimate quality and performance. His documentation and record keeping was orderly and up to date.

I would have no hesitation in recommending him and I wish him good luck in his future endeavours.
